

# 7 LADY VINEYARDS

## 2022 Viognier

Virginia

### Winemaker Notes

---

Light and fruit-forward, this Viognier greets the senses with delicate aromas of honeysuckle, white blossoms, and freshly cut stone fruit. The nose is lifted and graceful, offering whispers of apricot and peach. On the palate, gentle texture and bright freshness create an impression of effortless elegance, allowing the floral and orchard notes to linger.

### Season

---

The 2022 vintage in Virginia rewarded attentive farming and thoughtful harvest timing. A warm summer built strong ripening energy, while periodic rain maintained vine balance and freshness in the fruit.

A long, favorable autumn provided hang time to pick at optimal maturity, developing excellent flavor and natural acidity.

### Winemaking

---

Whole cluster direct pressed. Fermented cold in stainless steel. Full malolactic fermentation. Aged in stainless for 3 months.
